ENSEIGNEMENT
SUPÉRIEUR PRIVÉ
D'INTÉRÊT GÉNÉRAL
LOI DU 22.07.2013

I learn
the French language and culture...

... Then I study
at a Biotechnology Engineering School

The ILCF +

Preparation for
University Studies

French for
University Purposes

Cultural discovery of
Lyon and its region

Target level B2

Official
examination center
(DELF-DALF-TCF)

The ESTBB +

Accredited
engineering school

15 teaching and research
laboratories in life sciences

4300 alumni

Semester or Annual Program

From September to December
and from January to May

Intensive Summer Program

June, July and August

Diploma

DUEF
University Diploma in
French Studies

Tailored academic immersion

Attend an ESTBB lecture course during the second
semester, selected to match your interests and
academic profile, subject to timetable compatibility

Intake Period

September

Partner network

1,400 partner companies and
research laboratories in France
and around the world

Entry level placement test result	ILCF 26-27 Tuition Fees* Preferential Rates	Suggested Courses periods	Estimated Total number of hours	Estimated Final proficiency level**	ESTBB Programs available	Admission Requirements	ESTBB Tuition fees 26-27 Preferential Rates
